(Muzrai Branch)

Sir,

With reference to Government Proceedings No.2198-9/Muz. F.130-07-8 dated 7th June 1909, sanctioning a revised scale of expenditure amounting to Rs.337-7-3 per annum to Sri Gadidam Sri Venkataramanaswami temple at Deverayagudipalli in the Bagepalli Taluk, I have the honor to state that the temple referred to was inspected by me In November last during the Jamabandi of the Bagepalli Taluk. The services in the temple are being --- conducted regularly under the supervision of the Dharmadarsis. As the Institution is steadily rising in importance, the Committee Members of the Institution and the temple servants represented to me then, that the allowances of the temple ~~account~~ Servants are meagre and prayed for the increase of their remuneration and requested that provision may be made for incurring expenditure on extra-ordinary occasions and for perpetual lights in the temple. As the income from the lands assigned by devotees for specified --- services in the temple are being credited to the funds of the Institution, and as the contributions that were deposited in the Savings Bank were also withdrawn and credited to the Muzrai Funds in accordance with the instructions of the Comptroller, provision

for the services out of the temple funds, is necessary.

2. The annual income of the Institution from the voluntary contributions of the Patels and Shanbhogs out of their Potgi --- allowances, Jatra realizations, interest derived from the investment made in the Government of India pro-notes, and other miscellanious receipts of the Institution are estimated at Rs.1734/

3. The Amildar of the Bagepalli Taluk, in consultation with the Dharmadarsis, proposes a scale of expenditure of Rs.700/-, which the Sub-Division Officer recommended.

4. The proposals of the Amildar seem to me to be quite ---- equitable in consideration of the local circumstances and I ---- accordingly submit a proposition statement showing the present and the proposed expenditure and request that you may be so good as to obtain early sanction of Government.

5. Copy of the Chickballapur Sub-Division Officer's letter No.172 dated 10th September 1912, together with the vernacular ~~records~~ file of correspondence bearing on the subject is herewith submitted for reference.

I have the honor to be,

S i r,

Your mos t obedient servant,

Treasy Asstt Commr &
Offg. Deputy Commissioner,
Kolar District.

Absent from H.Q.

r No.172 dated 26th/10th September 1912 from the Sub-Officer, Chikballapur, to the Deputy Commissioner, Kolar District.

With reference to your yadi No.86 dated 7th August 1911, regarding the management of the affairs of Gadidam Venkataramana Swamy Temple at Bagepalli, I have the honor to submit herewith the entire file of correspondence ending with the Amildar's report No.126/12-8-12, enclosing a scale of yearly income and expenditure.

I was present at the last car festival celebration and presiding at a meeting convened for the purpose, drew up with the aid of the Dharmadarsis of the temple, a scale of expenditure with due regard to all sure items of income as detailed in the one under reference. It will be seen therefrom that the expenditure is lower than the lowest income in any single year and therefore far below the average annual income.

As the Institution holds Government of India Pro-notes to the extent of Rs.10,000/- should its income fall below the proposed scale of expenditure even for a few years, there will be time enough to alter the scale to suit the reduced income.

On the other hand, the expenditure once ascertained and fixed and the net savings occasionally superadded to by casual donations, the funds at the credit of the institution must accumulate.

In these circumstances the proposed scale of expenditure, if you approve of it, may be kindly referred to Government for early sanction.

In the meantime, the request of the Amildar may kindly be granted to continue as such certain Savings Bank deposits made in his name and intended by the devotees of the temple for services specified in the last para of his report and referred to against Nos. 8 & 9 of Nithya Battle charges of the scale.

"C O P Y".
